Boston Retains World's Championship by Decisively Trimming Brooklyn in Fifth Game-Score 4 to 1-Greatest Crowd in History Attended Thursday's Game-National League Contingent's Fighting Spirit Faded Away-Shore Held High Hand Throughout the Game.

Greatest Crowd In History.

The greatest gathering in the history of the American national sport witnessed the victory, 42,620 fans de-parting after the contest convinced that the Red Sox were the baseball machine par excellence of recent years. As a result of the four games to one inquest over the standard bearers of the National League, Boston is to-night celebrating its fifth victory in world's series since 1903 and there is added joy to the fact that never in its history has a Boston team beer

A Decisive Victory.

The victory over the Superbas in the inal meeting of the teams was so clean cut and decisive that there was aft no ground for argument. Before the speed and curves of Ernest Shore, of East Bend, N.
